

The standards of cleanliness we have set require all surfaces to be thoroughly cleaned, and to be disinfected with substances proven to be effective at destroying viruses.

- All surfaces with which humans come into contact are cleaned regularly.
- Disinfectants are installed in all common areas of the Villa.
- Our employees are regularly tested.
- All employees wear masks covering mouths and noses and adhere to the Corona house rules for staff.
- All employees are given thorough training for their respective fields of activity and are to be given daily updates on any changes.
- Masks covering mouths and noses can be purchased for Guests by a staff member.
